

Prayers Over My City

Lord, I intercede for my city and its leaders. Grant them wisdom, discernment, and integrity to make decisions that honor You. Protect my city from natural disasters, crime, and any form of chaos. Let revival sweep through, touching hearts and turning lives to You. Equip the churches in my city to reach the lost and minister to the hurting. Let peace and prosperity reign within its borders, and may Your presence be felt in every street and neighborhood. Amen.
