

Prayers Over My Community

Father, I bring my community before You and ask for Your blessings to be poured out upon it. Raise up leaders and volunteers who serve selflessly and seek to do what is right. Protect our schools, businesses, and places of worship, and let them thrive under Your care. I pray for unity and understanding among all people, regardless of differences, and ask that You heal any division or strife. May this community reflect the love and justice of Your kingdom. Amen.
