

Prayers Over My State

Father in Heaven, I pray for my state and all who call it home. Strengthen our government leaders, giving them a heart for righteousness and justice. Protect my state from division, violence, and corruption, and fill it with Your peace. Bless the economy, agriculture, and all industries that provide for its people. Raise up godly leaders in every sector, and let Your truth and love prevail in every corner of my state. I declare that my state belongs to You, and I ask for Your kingdom to come and Your will to be done here as it is in Heaven. Amen.
