

Prayers Over My County

Almighty God, I lift up my county to You. Cover its residents with Your protection and surround them with Your favor. Bless our schools, healthcare facilities, businesses, and every area that serves the people here. Guide the county officials to lead with wisdom, fairness, and a heart for the people. Help me to be a good steward of the resources You've given and to seek justice, love mercy, and walk humbly with You. May my county be a beacon of hope and faith in this region. Amen.
