

Prayers Over My Neighborhood

Lord God, I pray for my neighborhood and all who live within it. Let Your presence dwell in every home, bringing peace and safety to every household. Protect my neighbors from violence, crime, and division, and let love and kindness overflow among us. Use me as an instrument of Your grace, showing the love of Christ to those around me. May this neighborhood be a place where Your light shines brightly, and may many come to know You through my witness. Amen.
